

2nd Grade Spotlight: How We Organize Ourselves

An inquiry into the structure and function of organizations; societal decision making;

This IB unit takes a look at structure and systems.

Central Idea: Systems can provide structure to make the world function.

Our unit will dive into...

* Examples of why we need systems in our lives. (Constitution) (form) *How systems organize our government (function) *How systems are followed to make decisions (function)

We will explore these key concepts:

***Form**- What is it like ***Function**- How does it work?

Our guiding questions will include:

* Why are systems important? *How do systems organize us? *Why do we need rules and laws?
*How are systems connected to our lives?

We will focus on being these Learner Profile attributes:

***Balanced**-We take everything into account. **Reflective**-We think about how to be better.

We will demonstrate these IB Attitudes:

***Independence**-We show self-determination. ***Respect**-We have good manners.

We will practice these skills:

* **Social Skills**- We will respect others, adopt group roles, cooperate, make decisions and accepting responsibility.
