

4th Grade Spotlight:

Where We Are in Place and Time

An inquiry into the discoveries explorations and migrations of humankind; the relationships between the interconnectedness of individuals and civilizations from local and global perspectives.

This IB unit takes a look at explorations and discoveries.

Central Idea: Exploration can lead to discovery.

Our unit will dive into...

What leads one to exploration

How space affects our Earth

The results of discovery

We will explore these key concepts:

*Form *Causation *Connection

Our guiding questions will include:

How do you find out more about things you don't know?

What are some of the ways that people can find out things they don't know?

Why would someone want to explore?

We will focus on being these Learner Profile attributes:

*Risk Takers *Inquirers

We will demonstrate these IB Attitudes:

*Curiosity *Creativity

We will practice these skills:

*Research Skills
