

5th Grade Spotlight:

Sharing the Planet

An inquiry into rights and responsibilities in the struggle to share finite resources with other people and with other living things; communities and relationships within and between them; peace and conflict resolution.

This IB unit takes a look at cycles on Earth and in our lives.

Central Idea: Cycles can impact the world.

Our unit will dive into...

- The points of view that result in peace and conflict (perspective)
- Understanding that cycles follow a pattern. (form)
- How cycles affect the world around them. (perspective)

We will explore these key concepts:

*Form * Perspective

Our guiding questions will include:

What is cycle? How do cycles affect us? How do cycles follow a pattern? How do we affect cycles?

We will focus on being these Learner Profile attributes:

*Caring*Knowledgeable

We will demonstrate these IB Attitudes:

*Empathy *Independence

We will practice these skills:

*Social Skills
