

Kindergarten Spotlight:

Where We Are in Place and Time

An inquiry into orientation in place and time.

This IB unit takes a close look into entertainment as it changes over time!

Central Idea: *Entertainment reflects the time and place of creation.*

Our unit will dive into...

- *Timelines and sequential order. (change) * How entertainment has changed over time (connection)
- *How objects move. (function)

We will explore these key concepts:

- * **Change**- How is it changing? **Connection**- How is it connected to other things? ***Function**-How does it work?

Our guiding questions will include:

- * Why do we have toys? *How do people entertain themselves? *How have toys changed over the years? *What will toys look like in the future?

We will focus on being these Learner Profile attributes:
